ABOUT ME

Reliable and detail-oriented professional with strong hands-on, retail, and operational experience, currently based in Auckland. As a newcomer to New Zealand, I am keen to build local experience through a Merchandiser role while fully embracing NZ workplace standards, safety practices, and team culture. I enjoy physical work, take pride in well-presented displays, and am motivated to contribute to a supportive, inclusive team while delivering high standards across multiple store locations.

SKILLS

- Merchandising, stock handling, and display organisation
- Strong attention to detail and pride in presentation
- Reliable, punctual, and able to follow schedules independently
- Physically fit with experience in manual handling and lifting
- Excellent time management and ability to work evening shifts
- Strong teamwork and communication skills
- Quick learner, open to training and feedback
- Understanding of workplace health & safety standards
